

GIVE AN
HOUR

FOR LOCAL FIRE VICTIMS

Bendigo Regional YMCA and Bendigo Community Telco are asking local employers and their staff to “Give an hour” of their salary to help support fire victims in Bendigo and Redesdale.

Funds raised by organisations who “Give An Hour” will go to the Bendigo and Adelaide Bank Bushfire Appeal and will be channelled directly to local people in need following the fires.

Rod Wee Hee Bendigo Regional YMCA CEO said, “We are inviting employees to donate the equivalent of one hour of their salary to the appeal, and we encourage employers to match the contributions dollar for dollar”.

Mr Wee Hee added, “Support for the program is mounting already. Several leading businesses and community organisations are already on board, and we encourage other local enterprises to get behind this great community effort”.

Local businesses and community groups who have already decided to “Give An Hour” include Bendigo and Adelaide Bank, Bendigo Community Telco, Bendigo Regional YMCA, Bendigo Mazda, Bendigo Toyota, City of Greater Bendigo, DCK, Loddon Mallee Housing Services and Tweed Sutherland.

Businesses wishing to register an interest are encouraged to visit bendigo.communitytelco.com.au and an information pack will be sent out.
