Fees and charges

Excess rates apply if you exceed your included allowance.

- If you exceed your monthly data allowance, a 1GB block of extra data will be automatically applied to your plan, and you will be charged \$10. After that, each time you exceed the 1GB block of extra data within the current billing period, an additional 1GB block of extra data will be added at a charge of \$10.

The cost of downloading 1MB of data within Australia is:

Plan	Cost of downloading 1MB of data within Australia
Smart 8GB - Data SIM	\$0.0025
Smart 15GB - Data SIM	\$0.0020
Smart 25GB - Data SIM	\$0.0018
Smart 60GB - Data SIM	\$0.0010
Smart 90GB - Data SIM	\$0.0008

You can use this service to send SMS messages. SMS messages sent within Australia will be charged at a rate of \$0.25 per message.

IMPORTANT INFORMATION REGARDING YOUR FIRST INVOICE:

Monthly access fees are invoiced in advance. When you first start a plan or transfer services to us, your monthly invoice will generally be higher than normal. This is because it includes a portion of your monthly access fee for the current month as well as the subsequent month in advance.

OTHER INFORMATION

Coverage;

This plan enables you to access 4G (when using a 4G compatible handset). The Optus 4G Network is available in selected areas. To check coverage go to <https://www.bendigobanktelco.com.au/coverage-map>. Outside 4G coverage areas compatible device will switch to the Optus 3G network.

Importantly if you have a compatible device and you are in a 4G coverage area you will download data at significantly faster rates.

This could see you using more data than you realised. Take advantage of MyServiceCentre to help you monitor your data usage and limit over expenditure. Please refer to usage information below for more information on MyServiceCentre.

Usage Information;

We recommend that you use MyServiceCentre to track your usage. It is available on our website: www.bendigobanktelco.com.au.

You will automatically receive alerts when you reach 50%, 85% and 100% of your included monthly allowance. Service usage can be delayed up to 48 hours. Service usage can be delayed up to 48 hours.

You will receive an alert each time you have a 1GB block of extra data added to your plan and further alerts when you have used 85% and 100% of each 1GB block of extra data.

International Roaming;

You will need to have international roaming activated on your service prior to leaving Australia to be able to access this capability. Once you have access to international roaming it is easy to run up a large charge very quickly.

Things to remember:

- All rates specified within your product terms and conditions refer to usage within Australia. Data used and MMS messages sent outside Australia will be charged at a rate levied by the overseas carrier.
- International roaming charges are not part of your plan's included value.
- For more information on international roaming go to our website.

Pro Rata Billing;

If you connect to this plan partway through a month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro-rata billing.
