Fees & Charges;

If you withdraw your request for service after it has been accepted and prior to service completion you will be charged a \$137.50 order withdrawal fee.

An incorrect call-out fee will be charged if you lodge a fault and a technician visits your premises and no fault is found. The fee will be charged at \$220 per instance.

All requests for relocation of service will be processed as a cancellation and a new connection. Each request will attract a disconnection fee and where applicable a new connection fee.

All speed modification requests will incur a \$55 modification fee per instance.

Service Availability and Pricing;

Service availability is dependent on geographic location.

Depending on your area, you may have NBN Delivered using fibre optics, fibre to the node, fibre to the building or your area may use fixed wireless technology.

NBN access technology is determined by the NBN Co roll out strategy. To determine the access technology at your location please refer to our website at www.bendigobanktelco.com.au for further information.

NBN Speeds;

Bendigo Bank Telco offers NBN plans delivered to the customer site via the fibre to the node/building service. The actual speed of your service will vary according to the length and quality of the copper line between your premise and where it joins the fibre optic cable, network utilisation and the number of end users accessing the network at any one time, the end user's hardware or software and the web sites the end user is visiting.

Installation;

There are no installation charges for new or existing customers where a copper line is already connected to the premise.

An installation charge of \$300 applies to customers connecting a Fibre to the Node/Building service where there is no active phone service connected to the premise. Each time a second or subsequent Fibre to the Node/Building service is installed an additional \$300 charge will apply.

Installation charges will only apply if a technician is required to attend the site and complete connection into the premises. For details on costs speak to a customer service representative.

OTHER INFORMATION

Usage Information;

We recommend that you use our MyServiceCentre application to track your usage. It is available on our website: www.bendigobanktelco.com.au.

Pro-rata billing;

If you connect to this plan partway through a month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro-rata billing

IMPORTANT INFORMATION REGARDING YOUR FIRST INVOICE

Monthly access fees are invoiced in advance. When you first start a plan or transfer services to us, your monthly invoice will generally be higher than normal. This is because it includes a portion of your monthly access fee for the current month as well as the subsequent month in advance.
