IMPORTANT INFORMATION REGARDING YOUR FIRST INVOICE:
Monthly access fees are invoiced in advance. When you first start a plan or transfer services to us, your monthly invoice will generally be higher than normal. This is because it includes a portion of your monthly access fee for the current month as well as the subsequent month in advance.

Service Availability and Pricing

Service availability is dependent on geographic location. Depending on your area, you may have fibre optics installed to deliver the NBN, a combination of Copper and Fibre optic or your area may use fixed wireless technology. NBN access technology is determined by the NBN Co roll out strategy. To determine the access technology at your location please contact our Customer Centre for further information.

Connection Timeframes

Where you request a new connection we will endeavour to connect the service on the date requested. If you are porting your service to a NBN Business VoIP Plan, Number Portability time frames will apply. Time frames will be advised at the time of order submission

Customer Service Guarantee Waiver (CSG):

A condition of providing customers with an NBN Business VoIP Plus service is that you acknowledge that you waive your protection and rights under the Customer Service Guarantee. A copy of the (CSG) is accessible from www.bendigobanktelco.com.au

NBN Speeds

Currently Bendigo Bank Telco offers NBN plans delivered to the customer site via the NBN Co fibre access service, Fibre To The Node, Fibre To The Building or a fixed wireless service.

Services supplied over Fixed Wireless Technology are limited to speeds of 25/5Mbps. Services supplied over Fibre or Fibre to the Building/Node can have speeds up to 100/40Mbps.

The actual speed of your service will vary according to the nature and quality of the connection at the customer site, network utilisation and the number of end users accessing the network at any one time, the end user's hardware or software and the web sites the end user is visiting.

Installation

These plans include a \$0 connection for a standard installation.

Non-standard installations may incur additional charges. NBN Co will advise you of any such charges prior to installation. Your approval and acceptance of these charges will be sought prior to work commencing.

An installation charge of \$330 applies to the following

- Customers connecting a Fibre to the Node/Building service where there is no active phone service connected to the premise.
- Customer connecting a second or subsequent NBN installation

An installation fee of \$300 applies customers connecting an NBN service where there is no existing NBN infrastructure.

You must obtain the consent of the property owner to have the NBN installation performed. If you are not the property owner, you will need to obtain the property owner's written consent (dated and signed), and be able to provide that to Bendigo Bank Telco upon request. The cabling that is required in your premises beyond the network termination device is your cost and responsibility, as is the provision of a suitable 240V AC power outlet
