HARDWARE & EQUIPMENT

No modem/router is included with this plan. Customers may choose to purchase either a ADSL2+ compatible modem/router or a ADSL2+ NBN Compatible Modem Router for an additional charge.

MINIMUM TERM

This plan is only available on a 24 month contract.

MONTHLY ACCESS FEE

Refer to the above table for monthly access fees and data allowances. You will be charged for the calls you make each month on top of this amount.

WHAT'S INCLUDED

This plan includes line rental and data allowance. If you exceed your monthly data allowance, the speed of your service will be reduced to 256/64k for the duration of the current billing period. Importantly this means you will not incur excess data usage charges. Unused monthly data allowances will not carry over to the following month.

WHAT'S EXCLUDED

This plan does not have an included value of calls. You will be charged for the amount of the calls you make each month. The rates you will be charged are listed under Additional Pricing Information below. There is no telephone handset included.

EARLY TERMINATION CHARGE

An Early Termination Charge of \$150 applies if the Broadband and/or fixed line service is churned or cancelled during the 24-month contract period.

CONNECTION CHARGES

Connection charges apply when connecting a new telephone service or relocating an existing telephone service. The connection charge will vary depending on whether a technician is required to attend the site and complete the connection, and if cabling work is required. Charges vary from \$60 to \$299. Please consult with our Customer Service Representatives to discuss.

CONNECTION AND RESTORATION TIMEFRAMES

Where you request a new connection we will endeavour to connect the service on the date requested. All service connections are subject to appointment availability.

The Customer Service Guarantee (CSG) sets out minimum performance standards in relation to fixed line service connection times, fault repair times and keeping appointments. A copy of the (CSG) is accessible from the relevant website listed at the bottom of this document.

BROADBAND SERVICE AVAILABILITY & PRICING

Service availability is dependent on geographic location. Services will be connected to either Zone 1 or Zone 2. Broadband zones are based on the industry's current zoning of Telephone and Broadband exchanges. To confirm which one applies to your broadband service please speak to a customer service representative.

BROADBAND SPEEDS

We will always connect you to the highest available speed. Where possible this will be an ADSL2+ connection and where ADSL 2+ is not available to you will be provided with an ADSL 1 service. Broadband speeds are impacted by a range of factors including the length and quality of the copper line between your premises and the exchange, your computer's set-up and the quality of your broadband modem and line filter. The number and type of services being used in your area as well as the configuration of any computer you are trying to access can also impact the speed.

HARDWARE CONFIGURATION & SUPPORT

Bendigo Telco will provide the username and password details for Super Broadband connections. Our Customer Help Team are able to support modems that are purchased/supplied vi Bendigo Telco. If using a modem that is purchased from another retailer/provider, please refer to the manufacturer for support and assistance.
