INFORMATION ABOUT PRICING

Monthly Access Fee

Your minimum monthly charge is $\$149.95 = \99.95 (Essence Ultimate Landline plan) + $\$50.00$ (Essence Ultimate internet plan). This charge includes line rental and calls to local numbers, standard national numbers and mobiles within Australia as well as unlimited data. If you have extra services activated on your fixed line service (such as Line Hunt or Calling Number Display) you will have to pay more than $\$149.95$ a month.

Early Termination

The maximum early termination charge (ETC) for this plan is \$700.00. This is calculated by adding the maximum ETC due for the Essence Ultimate Landline plan (\$480) and the disconnection fee due for the Essence Ultimate internet plan (\$220).

The ETC due for the Essence Ultimate Landline plan is calculated by multiplying the plans ETC Base rate by 24 (the number of months in the contract). The ETC base rate that applies to this plan is \$20.00.

For example, if you cancel your standard fixed line service 12 months into your 24 month contract your early termination charge would be $\$20$ (ETC based rate) x 12 (months remaining) = $\$240.00$.

The \$220.00 disconnection fee applies to the Essence Ultimate internet

plan. If you cancel either your fixed line or internet service, or downgrade either of the plans to another plan with a lower monthly access fee before your contract term has ended, you will have to pay the early termination charge or disconnection fee due for that service.

If at any time you terminate or downgrade your Essence Ultimate Landline Plan, your Essence Ultimate internet plan will be moved to a relevant standalone plan.

Fees & Charges

The following rates will apply to calls made. All timed calls are charged in one second increments:

- Calls to 1300/13 calls will be charged at \$0.44 per call.

- An incorrect call-out fee will be charged if you lodge a fault and a technician visits your premises and no fault is found. The fee will be charged at \$220 per instance.
- All requests for relocation of a broadband service will be processed as a cancellation and a new connection. Each request will attract a disconnection fee and where applicable a new connection fee.

OTHER INFORMATION

Connection & Restoration Timeframes

Where you request a new connection we will endeavour to connect the service on the date requested. All service connections are subject to appointment availability.

The Customer Service Guarantee (CSG) sets out minimum performance standards in relation to fixed line service connection times, fault repair times and keeping appointments. A copy of the (CSG) is accessible from the relevant website listed at the bottom of this document.

Broadband Service Availability & Pricing

Service availability is dependent on geographic location. Services will be connected to either Zone 1 or Zone 2. Broadband zones are based on the industry's current zoning of Telephone and Broadband exchanges. To confirm which one applies to your broadband service please speak to a customer service representative.

Broadband Speeds

We will always connect you to the highest available speed. Where possible this will be an ADSL2+ connection and where ADSL 2+ is not available to you will be provided with an ADSL 1 service. Broadband speeds are impacted by a range of factors including the length and quality of the copper line between your premises and the exchange, your computer's set-up and the quality of your broadband modem and line filter. The number and type of services being used in your area as well as the configuration of any computer you are trying to access can also impact the speed.

Other Services

We can provide you with a range of extra services on your fixed line service. Some services will attract additional fees.

Usage Information

We recommend that you use our SmartCentre application to track your usage. It is available at the relevant website listed at the bottom of this document. Once you have a SmartCentre account, you'll automatically receive alerts when you reach 50%, 85% and 100% of your included monthly allowance(s).

Billing

When you first start a plan or change your plan part way through a billing period, your first bill will have additional charges.
