### INFORMATION ABOUT THE SERVICE

Your Flexi Mobile Plans are available month to month or on a 12 month contract. It gives you access to the Optus 4G network, a mobile phone number, let's you make and receive calls, send and receive messages and access mobile data.

#### More Information About the Service

This offer is unbundled.

#### Hardware & Equipment

Customers who sign up to the plan will receive a SIM card only and no other hardware. If your SIM card is lost or damaged, we may charge a replacement fee of \$11.

This plan is compatible with our Monthly Device Payments (MDP's). A MDP will allow you to purchase hardware using standard monthly repayments. A MDP is a separate product that is contracted for 24 months. Direct debit is a compulsory requirement of MDP. Early termination charges apply.

For any faults, issue or support in relation to hardware, please refer to the manufactures website.

#### Minimum Term

All Flexi plans are available on a month by month non-contract option and the Flexi S, M, L and XL plans are also available on a 12 month contracted option.

#### What's Included

All allowances are for usage within Australia. Your included value can be used to make calls to mobiles and fixed line numbers, call 13/1300 call diversions and to check your voicemail.

Calls to 1800 numbers are free of charge. Your included SMS/MMS allowance can be used to send SMS and MMS messages. The Flexi M, L and XL plans include an allowance for International calls.

Your included data allowance can be used to access the internet and to send and receive emails from your mobile handset. Data usage will be counted in kilobytes, where 1000KB=1MB and 1GB = 1000MB. Unused allowances do not carry over to the following month.

#### What's Excluded

All monthly allowances exclude usage charges while you are overseas. If you use any of the following services additional charges will apply: Calls to satellite services, value added services, operator assisted/ directory assistance or Sensis® calls, Video calling, premium content calls (e.g. to 19 numbers) premium SMS/MMS, international roaming calls and paging services. The Flexi XS and S plan do not include any international calls.

## OTHER INFORMATION

### Coverage

This plan enables you to access 4G (when using a 4G compatible handset). The Optus 4G Network is available in selected areas. To check coverage, go to the mobile plans page on our website. Outside 4G coverage areas compatible handsets will switch to the Optus 3G network.

Importantly if you have a compatible handset and you are in a 4G coverage area you will download data at significantly faster rates.

### Usage Information

We recommend that you use our SmartCentre application to track your usage. It is available on the 'Sign in Centre' page on the relevant website listed at the bottom of this document. Once you have a SmartCentre account, you'll automatically receive alerts when you reach 50%, 85% and 100% of your included monthly allowance(s). Information in the SmartCentre Application and in the Usage Alerts may be up to 48 hours old.

### International Roaming

You will need to have international roaming activated on your service prior to leaving Australia to be able to access this capability. Once you have access to international roaming it is easy to run up expensive charge's very quickly.

### Things to Remember

- All rates specified within your product terms and conditions refer to usage within Australia. Calls made, data used and SMS/MMS messages sent outside Australia will be charged at a rate levied by the overseas carrier.
- International roaming charges are not part of your plans included value.
- For more information on international roaming visit the relevant website listed at the bottom of this document.

### Billing

When you first start a plan or change your plan part way through a billing period, your first bill will have additional charges. It will include your minimum monthly charge in advance, plus a proportion of your minimum monthly charge based on the number of days left in the billing period. You'll still receive a full month's call and data allowance.

### Paper Invoice Charge

Paper invoices incur a fee of \$2.20 (including GST). Receiving your invoice via email does not incur a charge.
