Unlimited Standard Calls
Unlimited SMS/MMS

Handset Included

All calls and allowances are for usage within Australia (excludes use overseas). Unused allowances will not carry over to the following month. If you connect to this plan partway through a month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro-rata billing.

TO HELP YOU COMPARE OUR PLANS

Below is the unit pricing for this plan, these rates are deducted from your included call value. You will then be charged these rates once your included value is exceeded.

Excess usage charges apply once your included data value is exceeded.

2 min. standard national mobile call = no charge

Standard national SMS = no charge

1MB of data within Australia = \$0.25

This plan enables you to access 4G (when using a 4G compatible handset). The Optus 4G Network is available in selected areas. To check coverage go to www.communitytelco.com.au. Outside 4G coverage areas compatible handsets will switch to the Optus 3G network.

THINGS TO KNOW

Application Criteria	All customers must pass our credit assessment to be eligible for these offers.
What's Included	Included value applies to calls to 13/1300 and 1800 numbers, calls to mobile, national calls, SMS/MMS to international numbers, video calling and voicemail. Excludes calls to satellite services, value added services, operator assisted/directory assistance and Sensis® calls, premium content calls (e.g. to 19 numbers), premium SMS/MMS, international or international roaming calls, mobile messaging, paging services, and data usage.
Data Charges	If you use more than your included monthly data allowance you will be charged \$0.25 per MB.
Usage Monitoring	If you want to track your usage, use our MyServiceCentre application available at www.communitytelco.com.au . Once you sign up for a MyServiceCentre account; you'll automatically receive email or SMS alerts when you reach 50%, 80% and 100% of your monthly allowance.
International Roaming	Calls made, SMS/MMS messages sent and data used outside Australia will be charged at a rate levied by the overseas carrier.
Hardware	Customers who sign up to this plan are entitled to choose from a selection of hardware. The hardware must be obtained at the time of sign-up or it is forfeited. The hardware included within your plan is as specified on your application form. The hardware can only be obtained from Community Telco. This plan is compatible with Community Telco's Monthly Device Payments. Monthly Device Payments are only available on a 24 month contract. Fees apply for early termination. Terms and conditions apply.
Early Termination Fee	This plan is only available on a 24 month contract. If you cancel your plan or move to another plan with a lesser monthly charge before your minimum term has ended, you must pay an early termination charge (ETC). The ETC is calculated by multiplying the ETC base rate by the number of months remaining on your contract. The ETC base rate that applies to this plan is \$28.23.
