

# Data Mobile Broadband

**Freedom to work from any location, flexibility of plans packed with value and backed by a quality network provider... what more do you need!**

With Mobile Broadband capability you're no longer chained to an office or a network cable; your Mobile Broadband USB modem enables you to access emails and the internet without external cables. With the correct setup, you can even tap into resources on your office computer or server when you're out on the road. Our Mobile Broadband plans deliver flexibility in the way you can access services, as well as a range of included data options to suit your needs.

## Compact Mobile Broadband USB Modem

The smooth, compact and high speed capability of our mobile broadband modem makes it simple to access the internet while you're on the move. The standard USB interface enables the modem to be used on your laptop or desk computer.

## Terms and conditions

1. All applications for the service are subject to credit assessment and acceptance.
2. Services are only available to customers who connect to a new Mobile Broadband service.
3. Customers who sign up to a Mobile Broadband Plan on a 24 month contract will receive a Mobile Broadband USB modem. It must be obtained from Community Telco at the time of sign-up or it is forfeited. Colour and style of mobile modem may vary from images used in this brochure. Customers who sign up to a Mobile Broadband Sim Only plan will receive a SIM Card only and no other hardware.
4. Mobile Broadband plans that include a Mobile Broadband USB modem are only available on a 24 month contract. Fees apply for early termination of a fixed term contract. Applicable early termination fees are detailed in the Community Telco Schedule of Charges, available at [www.communitytelco.com.au](http://www.communitytelco.com.au). Mobile Broadband plans SIM Only are not contracted.
5. Standard early termination charges apply when changing a contracted service to a service of a lesser monthly charge.
6. Your pricing plan sets out the amount of included data that you can download and upload in a billing month. Data usage will be counted in kilobytes, where 1000KB = 1MB and includes both uploads and downloads.
7. If you exceed your plan's included monthly data allowance, excess usage will be charged at \$0.06 per MB. At the end of each billing month any unused included data will be forfeited.
8. Rates specified refer to data usage within Australia. Data used outside Australia will be charged at a rate levied by the overseas carrier. Data used will not count towards your included data allowance. You will need to have international roaming activated on your service prior to leaving Australia to be able to activate this capability.
9. Customers can expect average download speeds between 512kbps and 3Mbps. Actual speed achieved will vary depending on how far you are from the mobile tower, configuration and quality of your connection, the number and type of services being used in the connection area, your computer's hardware and software setup, and the configuration of any computer you are trying to access remotely.
10. The service as described is only available within our selected GSM or 3G/HSDPA coverage area and is subject to network availability. Please refer to [www.optus.com.au/coverage](http://www.optus.com.au/coverage) for full coverage details.
11. You can also use the service to connect to the internet outside the 3G/HSDPA areas, within our selected GSM network areas. Where only GSM coverage is available you will not experience broadband speeds.
12. The service is only available for use with a Community Telco supplied SIM card and approved Mobile Broadband modem or tablet device.
13. The Mobile Broadband may only be used to access data services or SMS, SMS's will be charge at a rate of \$0.25 per message. Rates listed refer to SMS messages sent within Australia only. You cannot use the supplied SIM card to access voice calls.
14. If the supplied SIM card is used in an alternate device it will count towards your plan's data allowance.
15. If you require a replacement SIM card, a fee of \$20 per SIM card will apply.
16. To ensure you are maximising the best speeds available from our network it is important to check the system requirements on your personal device are compliant with our network. For full details of the applicable system requirements please call our Customer Centre on the contact phone number below.
